## ELITE ATHLETIC TREND MISSION

---

Elite Athletic Trend (EAT) is a 501(c)(3) Non-profit organization that effectively and efficiently creates youth leadership, civic engagement and a community impact that is absolutely vital to ensuring our communities are vibrant, resilient and strong. E.A.T. Programs are designed to set the trend in our youth of community development through leadership programs, athletic development and community outreach events. Through the support of our various partnerships with educational systems, non-profit organizations, and local businesses, we are determined to mold today's youth in character, leadership, academic and athletic excellence.
